Winter News St Clare Eucharistic Ministry

Happy New Year!

Even though it is only January, the Easter season is fast approaching. Soon it will be time to sign up for the special liturgies that accompany Holy Week. We will use the same system we used for the Christmas liturgies: the days and times of the Masses and Communion services will be emailed to you and you can volunteer on the internet by clicking on the ministry scheduler.

For those of you without email, I will be mailing a copy of the services to you then you can call me to volunteer. I will see that you are put on the schedule.

Some reminders:

Positions #5 and #6 are responsible for distributing to Darin and the cantor as well as washing the cups, chalice, ciborium and plates after Mass in the sacristy.

If you need a sub for your position, there are several ways to get one. On the scheduler website you can request one or you can email me (tchrfern@fuse.net) and let me know when you need a sub. If you don't have access to email call me at 542-8726 or 967-9314 and I will be happy to take care of getting someone to fill in for you.

Thank you for your service to the people of St. Clare.
Sandy Fernbacher, Eucharistic Ministry Coordinator
